

CROSS AND COMPASS

A Publication of the Knights Of Columbus Council 9924 March 2024

Brothers,

Welcome to the March edition of the Cross and Compass. It is hard to believe we are a couple of weeks into Lent and Easter will be here in just a couple more short weeks. Easter without a doubt is my favorite holiday as this is the day Jesus conquered death and gave us all a chance to make our way to eternal life. What better gift could one give, than to give their own life so that each of us broken sinners could be saved and have eternal life. Easter to me is also a time for renewal and rejuvenation. Growing up in Ohio, I always looked forward to spring, knowing that under all the snow, a beautiful life was about to emerge when the season turned. We do not get to see such a dramatic change down here in Florida, but nature does change, and everything comes out in full bloom. We are just like those flowers under the winter snow, once the warmth of the sun hits, they come out from their slumber to a new life. We are all blessed to be on this journey together as we too one day will awaken from these bodies, and we will be with the "Son." I just love Easter!!

As usual, our council was busy last month. We held an exemplification and welcomed three new members to our council. After our Financial Secretary added the new names to our rolls, and moved a couple over to the state, we officially hit the 300-member mark. Thank you, Eddie Jones, and the team for all the work you all put in to growing our membership. We kicked off Lent with the Fat Tuesday Paczki, thanks to Bill Szyper, and Dave Kristie for putting it together. We also had our monthly Food Drive, thanks to Eric Bisighini and the team for being there to help with collections. We ended the month with the Basketball Free Throw Contest with our youth. We had another spectacular turn out with boys and girls ages 9 to 14 competing. Thanks to Nick Catone for putting together another magnificent event this year. Special thanks to Bill Blanchard, Bob Breen, Mark Crews, Tony Giardullo, John Prisco, and Michael Woods for keeping scores and encouraging the kids to do their best. Dan Dacey does just a wonderful job with our youth and helped us out by recruiting the kids from the religious education program. Thanks Dan! We are going to need a new lead for the Free Throw Contest next year, if you feel called to do this, please let us know as Nick is going to step down.

This month also holds a special significance for us as we celebrate the Feast of St Joseph on March 19, honoring the earthly father of Jesus and the patron saint of workers. St. Joseph's life exemplifies humility, obedience, and unwavering trust in God's providence, qualities that serve as the inspiration for all of us Knights. Let us also remember the Annunciation on March 25th, when the angel Gabriel announced to Mary the miraculous conception of Jesus. This day reminds us of the power of God's divine plan and the pivotal role Mary played in our salvation.

As we journey through this month on our way to Easter Sunday on March 31st, let us each recommit ourselves to our principles Charity, Unity, Fraternity and Patriotism that guide us in our everyday lives. Let us also support one another in our spiritual growth and strive to be beacons of light in our church and communities where we live.

I wish all of you, my brothers, and your families a blessed and Happy Easter.

Vivat Jesus

Prayers For Those Close To Us

First Friday of the Month Adoration

Brothers:

Our Brothers in the 4th Degree have asked us to join them during Adoration to pray for our fellow Knights and their spouses with the addition of a prayer book. Please take a minute to read the message below. As we all know prayer has a lot of power and this will be a simple way for us to keep all of our Brothers and their spouses covered in prayer.

It seems that we always find that we have Knights in need of our prayers, all too often in dire need.

In an effort to generate a more intense and focused prayer effort for brother Knights and their spouses we are beginning a new program.

Every First Friday, we will have a book containing the names of Knights and or their spouses that are in need of our prayers, on the kneeler in front of the Blessed Sacrament at Adoration. Any Knight may write in the name of any other Knight or his spouse to be prayed for.

We ask that all Knights make an effort to attend Adoration, wearing our shirts, and spend a little time with our Lord asking for his blessing for our Brother Knights that are in need of His graces.

The benefits are obvious:

- Our brother gets the prayers he needs*
- Our parishioners will see Knights in numbers showing up to pray for their brothers, that's a good thing.*
- We will be teeing it up for Fr. McGivney to get that miracle he needs for canonization.*

Thank you, and remember, eventually, we're all going to be in that book.

Faternally,

Rick Kuertz Grand Knight

Thank you letters from those receiving donations from Council 9924. These illustrate the value of the rewards of our charitable work and commitment to those in need.

Backpack Program Update

Since The Knights of Columbus from Our Lady of Lourdes Parish in Venice was approached by AFFB 15 years ago to get involved with the Backpack Program, Jim Palermo was the KofC Chairman. The Council handled Oak Park at the Middle School and Taylor Ranch School. Oak Park no longer exists. It has been a very meaningful 16 years knowing and seeing the good we have done for the kids and families in this area. Since Covid the involvement of the Knights has been drastically reduced. Also, as more and more donors have turned to QCD's from their IRA's we felt it appropriate to alert all donors and all Knights to send donations directly to AFFB, a 501c3 charity. There is no need for the knights to be the middleman since we turned over all donated backpack money to AFFB anyway. We ask that in the future you mark your donations to AFB and in the subject line that you note FOR Benefit of the Knights of Columbus.

Over the past 2 years we have been blessed with a few significant donations that have allowed us to support 100 students at Taylor Ranch School with weekend lunch bags as well as providing 75 Turkey Dinners for their families at Thanksgiving and 75 Ham Dinners for Christmas. But as with all programs the needs in our communities continue to grow and the need for more volunteers and donations along with it. **Volunteering can be done in one of two ways:**

1. **Warehouse Packing of Back Packs and Case goods. Sessions last 2-3 hours have both morning and afternoon shifts. AFB is located in Sarasota off Fruitville Road.**
2. **Mobile Food Pantries. These are held at multiple locations and include about 6 to 8 locations around Venice. You help setup and work a drive thru distribution of a variety of food products to prequalified families. In any given shift a locations will serve 100-200 families.**

So How do we volunteer. Its easy. Once you are registered (you can follow the link below) you will receive an email once a month listing available/shifts that you can sign up for. Teams normally have 12-15 volunteers and wife's are highly encouraged. Volunteer opportunities include sorting and packing food, distributing at pantries, participating in our nutrition education and cooking classes, helping in our offices, lending a hand at events and more!

What we believe

For your reflection during this time in Lent, we believe:

- In the sanctity of life.
- That life begins at conception.
- That God co-creates a child at the moment of conception and at that moment the child is imbued with a soul.
- That we, including the unborn, are created in the image and likeness of God.

- That at the moment of conception the child is endowed with all of his/her natural rights, including the right to life.
- That those natural rights are God given.
- That the natural role of men is to act as protectors and, as Knights we have the responsibility to protect the most vulnerable members of society.
- That the unborn are patients too and, as such, doctors have the responsibility to keep their pledge “primum non nocere” – Do No Harm.

There have been 62 million unborn babies killed since Roe v. Wade.

That's more people than some countries.

How many of those unborn were great leaders, scientists, doctors, inventors, athletes, entertainers, entrepreneurs, and teachers that were gifted to us by God?

March

During the month of March, three prominent ideas are proposed for our contemplation by the liturgy of Lent: the Passion and Resurrection of Christ, baptism, and penance.

The Solemnity of St. Joseph is a special landmark this month in which we will celebrate the great honor bestowed upon the foster father of Jesus. And, if you are Irish (who isn't), St. Patrick's feast is another cause for a joyful celebration. The feast of the Annunciation is celebrated on March 25.

During this month we will continue our journey to the cross with our acts of penitence. We will reflect on our mortality ("*Remember man thou art dust*") and the shortness of life ("*and to dust thou shall return*"). We will heed the call, "Now is the acceptable time, now is 'the day of salvation (2 Corinthians 6:2).'" Just like Our Lord's earthly life every moment of our lives is leading up to the last moment—when for eternity we will either go to God or suffer the fires of hell. During this month we will go from the suffering of Good Friday to the joy of Easter Sunday. We will trade the purple of penance for the white of victory and resurrection.

Let us not tire of doing our good works and penance but continue with the enthusiasm of the catechumens on their way to Easter and Baptism. May our Lenten observance be a joyful journey — and not a forced march.

Pray For Ukraine and Peace in the Middle East.
